MIDDELBURG

Early Childhood Development Centre

THE PURSUIT OF ACADEMIC EXCELLENCE

Situated in the leafy country town of Middelburg, Middelburg Preparatory School provides excellent education to learners from Grade RRR to Grade 7. We offer a structured aftercare programme that is free until 17:30 for our ECD learners with cooked meals.

LaPetite Early Childhood Development Centre (Grade RRR-R)

Early Childhood Development (ECD) can be defined as the physical, cognitive and social development that a child experiences prior to the learner reaching his/her preparatory school entering age. ECD therefore lays the groundwork for successful learning supporting the child to progress into, and adapt to, formal schooling.

ACADEMIC

At Middelburg Preparatory we place a high value on academics. We follow the CAPS curriculum of the national Department of Basic Education (DBE). Subjects taught are: • English • Mathematics • Life Skills • amaXhosi coding programme (Grade R) – incl. in the school fees

SPORT

• Playball • Kinderkinetics

CULTURE

• Grade R learners take part in the annual concert of the Preparatory School • Canvas Club • Celebration of national calendar days e.g. Heritage Day.

Our ECD centre is more than just a drop-off pre-school. We provide a secure, stimulating and flexible environment in which children may develop socially, emotionally, physically and cognitively.
